Dear Parent ,

As per Ministry of Health And Family Welfare, Government of India, MR Vaccine is mandatory for the prevention and protection against measles and congenital rubella. The Measles-Rubella Campaign is a National Policy like Pulse Polio Programme . All children aged 09 months to less than 15 years will be provided with an additional dose of MR vaccine, regardless of previous vaccination status or history of measles/Rubella like illness.

MR Campaign shall be conducted in our school w.e.f. 16.01.2019. Kindly ensure that your child has breakfast and brings proper lunch to school. You are earnestly requested to participate in this National Programme with full enthusiasm and cooperation.

The MR Campaign is Govt. of Delhi initiative and they are solely responsible for it , as it is carried out under their direction and supervision.
